## PLEASE NOTE:

If you have any of the above items on your person or in your vehicle they must be left outside the secure perimeter of the prison or placed in a locker in the prison entrance. If you are uncertain if an item is subject to control restrictions, declare this to SPS security staff who will provide advice. **If in doubt ASK!**

Satellite navigation devices are not in themselves prohibited but may contain a removable memory card which should be declared.

Vehicle dashboard or on-board cameras should be declared to SPS and either switched off or covered-up whilst within the prison.

Subject to Control  
and Supervision

You should declare any tools or items (above) required to undertake work in the prison. Use of tools or items without due authorisation from SPS to allow controlled use within a prison is considered a breach of prison security.

Persons, goods and vehicles entering prison premises are subject to searching.

If you have any concerns about individuals seeking to circumvent these prison security provisions or encouraging you to do so, please report this to SPS security staff or the Head of Operations at this prison.

**Thank you for your co-operation in contributing to safer and secure prisons.**
